FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

The proposed legislation would extend the authority to display the flag of the United States and the flag of this state with the display of the POW/MIA flag to all state buildings, rather than only the state capitol. Also, it would be a requirement to display a POW/MIA flag that has been donated for display to any public building in this state.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.

This proposal would not affect Total State Revenues.
